

## **KEEPSAKE STORAGE**

**Artkive-** <https://www.artkiveapp.com/#home>

Children produce a lot of artwork, and as a parent, you are probably tempted to keep every doodle and drawing they throw your way. However, these boxes of art projects can be difficult to share with your co-parent. With Artkive, you can store all your kids' artwork digitally, or create a keepsake book. All you do is send in a box of your child's artwork and the Artkive staff will have each piece professionally photographed for you. All photos will then be stored in the Artkive app for easy access anywhere. Plus, if you want a more concrete keepsake, you can have images printed into hardcover book.
